WE WANT YOU TO BE OUR CUSTOMER

You've worked hard in deciding on a special saying or the branding of your organization. You've spent hours deciding on the colors and the layout, and now it is time to create that special gift, important banner, or bumper sticker.

So why trust all of that work to a company you found on the Internet, in the back of a magazine, or worse, on Craig's List?

JCK Special Tees is a family run company that takes pride in every piece of apparel, every banner, and every print we make. As a small business, we know the value of customer service and we value the loyalty and satisfaction of our customers.

Please take a moment and call us to review your project and let us show you the attention and innovation your project deserves.

Much Appreciated!

Noel and Jim Kennedy
JCK Special Tees

Our SWF/E-601C technology is the state of the art machine for embroidering your design, brand, or logo. It produces rich robust colors and sharp graphics.

**We Use The
Highest Quality
Materials And State
Of The Art Technology**

Our Roland VersaCAMM printer/cutter makes photo realistic decals, labels, banners, posters, vehicle and floor graphics, apparel decoration and just about any sign imaginable. It delivers 1440 x 1440 dpi printing and precision contour cutting. It produces brilliant, photorealistic graphics on a full range of coated and uncoated media.

We can create magnets, bumper stickers, posters up to 54" wide, decals, displays, car art, vinyl lettering with full-color graphics...

From start to finish
We are here to help you!
